MAGIC LILY (Hardy Amaryllis)—It pops out of the ground! Withstands sub-zero weather and is surprisingly beautiful with clusters of 5 to 12 immense wine-red flowers overcast with soft rose, borne on 18-inch stems. Blooms each summer. \$1.00 each; 3 for \$2.65.

HOW TO PLANT ROSES IN FALL

Follow simple instructions of above picture, be careful to mound soil 6 to 10 inches over tops. Remove mound of soil in late spring when new growth has started and danger of frost is past. Fall planting assures an abundance of blooms early next spring and we like fall planting where plants are protected in preference to spring planting.
